opposites attract

in the many years ago, a guy named phoenix wright did the law because he liked it

but one man did not like the law very much at all

his name was GORDON FRYMAN but no one knew because he wouldn't talk

but phoenix loved to talk and since gordon didn't he was instantly a love with gordon so they went to buy ice cream and gordon got the vanilla in his beird and phoenix laughed because he thought it was funny and cute

but one day phoenix wanted to hear his lover speak at him so he OBJECTED! gordon

but then suddenly DAVID BOWIE came to the room and told them that they should start to dance and they did the end

End
